STATESVILLE, NC, January 16, 2012--Kewaunee Scientific Corporation (NASDAQ: KEQU), a global leader in the design, manufacture, and installation of laboratory, technical and laminate furniture products, today announced a significant business expansion with ISEC, Inc., one of the largest interior specialty contractors in the United States.

ISEC's sales territory expansion includes California, Washington, Oregon, Idaho, Hawaii, Alaska, Maryland, and the District of Columbia. This is in addition to ISEC's current territories in the Rocky Mountain region, which include Nevada, Utah, Arizona, and Colorado, as well as portions of Wyoming and New Mexico.

"Since joining the Kewaunee dealer team in May 2011, ISEC has proven itself to be an extremely valuable partner in supporting our products and strategic growth objectives," said William A. Shumaker, Kewaunee's President and Chief Executive Officer. "The ISEC organization continues to bring a wealth of knowledge and experience to the relationship. When combined with ISEC's project turn-key capabilities, strong financial position, and bonding capacity, we are confident our expanded relationship will strengthen Kewaunee's competitive position."
