

Educational Wood Assemblies

To further speed your progress, we offer a Wood Assemblies Program. It's a special collection of furniture, tops and accessories that have proven popular with clients whose needs may be similar to your own.

Physics labs. Biology labs. We have many different configurations ready for you to use.

Each configuration is based on thorough research. We've looked at literally hundreds of actual labs in public schools, colleges and universities. And talked with numerous designers and architects throughout the country. The result is our assemblies give you highly-detailed, real-world information.

For instance, if you're building a school science lab, you can choose from an assortment of tables from instructor's desk to multiple work tables. Each with different configurations of sinks, cabinets, outlets and gas fittings.

Before you plan your next lab, ask about our Wood Assemblies Program.
